16 AUTHORISATION OF THE BOARD OF DIRECTORS TO RESOLVE ON A SHARE ISSUE, THE TRANSFER OF OWN SHARES AND THE ISSUANCE OF SPECIAL RIGHTS ENTITLING TO SHARES

Shares and special rights can be issued or disposed of in one or more instalments, either in return for payment or free of charge.

The total number of shares to be issued under the authorisation, including shares acquired on the basis of special rights, cannot exceed 4,000,000 shares, which corresponds to approximately 12 per cent of the company's total shares on the day of the Annual General Meeting.

The Board of Directors decides on all terms and conditions related to the issuance of shares. The authorisation concerns both the issuance of new shares and the transfer of own shares. A share issue and the issuance of special rights entitling to shares include the right to deviate from the pre-emptive right of shareholders if there is a weighty financial reason for the company (special issue). A special share issue may be free of charge only if there is a particularly weighty financial reason from the point of view of the company and in the interest of all its shareholders.

The authorisation is proposed to be valid until the end of the next Annual General Meeting, but not later than 30 June 2024. The authorisation revokes previous authorisations given by the Annual General Meeting to decide on a share issue, as well as the option rights and the issuance of special rights entitling to shares.

The General Meeting resolved, in accordance with the proposal of the Board of Directors, to authorise the Board of Directors to resolve on the issuance or transfer of the Company's shares, and the issuance of special rights entitling to shares referred to in Chapter 10, Section 1 of the Limited Liability Companies Act in accordance with the proposal of the Board of Directors.

This amount includes the own shares held by the company itself and its subsidiaries within the meaning of Chapter 15, Section 11 (1) of the Finnish Companies Act.

The Board of Directors is authorised to decide how to acquire own shares.

Own shares may be repurchased otherwise than in proportion to the shares held by the shareholders (directed repurchase) at the price formed in public trading organized by Nasdaq Helsinki Ltd or at a price otherwise formed on the market. Own shares may be repurchased in one or more tranches.

Shares purchased by the company may be held by it, cancelled or transferred. The Board of Directors decides on other matters related to the repurchasing of own shares.

The Board of Directors proposes that the authorisation repeal previous authorisations granted by the Annual General Meeting to decide on the repurchase of own shares.

It is proposed that the authorisation remain valid until the closing of the next Annual General Meeting, but not later than 30 June 2024.

The General Meeting resolved, in accordance with the proposal of the Board of Directors, to authorise the Board of Directors to decide on the acquisition of the Company's own shares in accordance with the proposal of the Board of Directors.
